How many times must a man look up

How many ears must one man have

How many deaths will it take 'till he knows
that too many people have died.

and my sight grew dimmer.

Fa#

I had to stop for the night.

There she stood in the doorway;

I heard the mission bell

and I was thinking to myself,

"This could be Heaven

or this could be Hell"

Then she lit up the candle

and she showed me the way.

There were voices down the

corridor,

I thought I heard them say...

Sol

Welcome

Re

Fa#

such a lovely place,

sim

such a lovely face.

Sol

plenty of room

Re

at the hotel California,

mim

any time of year,

Fa#

you can find it here.

Her mind is Tiffany-twisted,
she got the Mercedes bends.
She got a lot of pretty, pretty boys,
that she calls friends.
How they dance in the courtyard,
sweet summer sweat.
Some dance to remember,
some dance to forget.

So I called up the captain,
"Please, bring me the wine."
He said: "We haven't had that spirit
here since nineteen sixty nine."
And still those voices
are calling from far away,
wake you up
in the middle of the night,
just to hear them say...

Welcome to the hotel...

**They living' it up
at the hotel California,
what a nice surprise,
bring your alibis.**

Mirrors on the ceiling,
the pink champagne on ice
and she said:" We are all just
prisoners

here of our own device."
And in the master's chambers,
they gathered for the feast,
they stab it with their steely knives,
but they just can't kill the beast.

Last think I remember, I was
running for the door,
I had to find the passage back
to the place I was before.
"Relax", said the night man,
"We are programmed to receive.
You can check out any time you
like,
but you can never leave."

Time can bring you down
time can bend your knees.
Time can break your heart
have you begging please
begging please.

Would you know my name
if I saw you in heaven?
Would it be the same
if I saw you in heaven?
Beyond the door
there's a peace, I'm sure,

And whispered in The Sound of Silence.

And in the naked light I saw
Ten thousand people, maybe more.
People talking without speaking,
People hearing without listening,
People writing songs that voices never share
And no one dare
Disturb the Sound Of Silence.

"Fools" said I, "You do not know
Silence like a cancer grows.
Hear my words that I might teach you,
Take my arms that I might teach you".
But my words like raindrops fell,
And echoed
In the wells of silence.

And the people bowed and prayed
To the neon god they made.
And the sign flashed out is warning,
In the words that it was forming.
And the sings said,
"The words of the prophets are written
On the subway walls and tenement halls".

157. WONDERFUL WORLD

Do *lam*
Don't know much about history,
Fa *Sol*
don't know much about biology,
Do *lam*
don't know much about the science book,
Fa *Sol*
don't know much about the French I took.

Do *Fa*
But I don't know that I love you,
Do *Fa*
and I know that if you love me too,
Sol *Do*
what a wonderful world this would be.

Don't know much about geography,

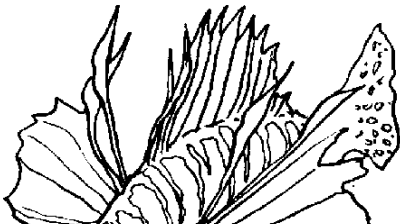

don't know much of trigonometry,
don't know much about algebra,
don't know what a sly rule is for.

But I do know one and one is two,
and if this one could be you,
what a wonderful world this would be.

I don't claim to be an A student,
but I'm trying to be for maybe
by being an A student, baby,
I can win your love for me.

Don't know much about the Middle Ages.
Look at the pictures I just turn the pages.
Don't know much about the Rise and fall,
I don't know nothing at all.

'Cause it's you that I've been dreaming on
if I could only win your love for me,
what a wonderful world this could be.

158. YELLOW SUBMARINE

Sol Re Do Sol
In the town where I was born,
mim lam Do Re
lived a man who sailed the sea,
Sol Re Do Sol
and he told us of his life,
mim lam Do Re
in the land of submarines.

So we sailed on to the sun,
till we found the sea of green,
and we lived beneath the waves,
in our yellow submarine.

Sol Re
We all live in a yellow submarine,

I'm not going out tonight 'cos I don't want to go
I am staying at home tonight 'cos I don't want to know
You revealed a world to me and I would never be
Dwelling in such happiness, your gift of purity

Eh-ee-oh-oh, eh-ee-oh-oh,
eh-ee-oh-oh, eh-ee-oh-oh (2)

Aahh, you and me It always be
You and me Forever be.
Eternally It will always be You and me

Taylor, Taylor, Taylor, Taylor

I don't pay attention to the ones who never cared
Find your own direction 'cos there's sweetness in the air
You will be the world to me and I always be
Dwelling in this happiness, your gift of purity

Eh-ee-oh-oh, eh-ee-oh-oh, eh-ee-oh-oh, eh-ee-oh-oh (2)

Aahh, you and me It always be
You and me Forever be.
Eternally It will always be
You and me

Always be You and me
Forever be. Eternally
It will always be You and me
Forever. Eternally

Taylor, Taylor (4)
You and me

Always be You and me
Forever be. Eternally
It will always be You and me
